

**29 Pyrus Place Redland Bay QLD**

4 2 2

First to excite you is the location: a whisper-quiet hidden cul-de-sac with a natural bush setting in the front and back. There is no road noise, only the sweet harmony of the birds, who are so friendly that they come to visit you and sit on the back fence.

Inside, you will be impressed with the layout and the long hall that carries you and the breeze through the home. It is the perfect design for the block and offers a spacious home with dual living areas. The white-on-white decor with grey accents throughout leaves you feeling cool and energized.

The oversized master bedroom has ample room for a super king suite. It includes a modern ensuite and walk-in robe. The room is air-conditioned with tinted windows, which beautifully frame the bushland outlook.
